A Special Thank You...

The Alban Arts Center would like to thank a few people for helping make this production possible. First and foremost we would like to thank our sponsors listed below for their generous donations. We would also like to thank The Sassafrass Junction Puppet Theater for making the crows and helping our actors with their puppetry. A big thank you to the band members of QIET! They did a lot of work to make this show something unique. We would also like to thank everyone that donated paint, fabric, lumber, and a variety of other supplies that we used in this production. Your help was truly a blessing. We would also like to thank Theatre West Virginia for allowing us to borrow several costumes. Lastly but certainly not least we want to thank the wonderful costume crew of mothers and family that helped make the majority of the costumes in the show. A big thank you goes to Paige Chapman, LeeAnne Rheinlander, Sami Miller, Jamie Shuff, Vicki Shawl, Helen Woods, Misse Medley, Christy Goggins and Peggy Lyons for the countless hours they put in cutting, sewing, gluing, and piecing together the great costumes. This show truly was a community effort and we thank everyone for their help and support!
