**Cameron Vance  
as Jamie**

### **From the Director's Chair:**

**The Last Five Years**, by Jason Robert Brown, chronicles the evolution - and ultimate destruction - of Jamie and Cathy's five year marriage. Cathy, a struggling actress, tells her story from the end of their relationship; while Jamie, a successful writer, tells his from the beginning. Brown's evocative score, candid lyrics, and creative use of opposing time lines are unique to **The Last Five Years**.

Our production examines the comedy and tragedy of failed relationships. When we're at our worst, or our best, we often project those feelings onto our partner. This show is about those moments; moments when we can't love someone else and we can't admit it.

But, it is a musical after all....that means we'll have fun, sing some beautiful songs, and laugh at the silly mistakes we made when we were young and in love. Mistakes we've all made, mistakes some of us haven't made...yet.

We're so proud to welcome Beth Winkler (as Cathy) and Cameron Vance (as Jamie) as they make their Alban debut! The talented Loren Allen has created an innovative and intricate set design; while Kenneth Morrison is the fearless and flawless music director and pianist for the production.

We hope you'll enjoy this painfully honest and surprisingly uplifting musical.

With love,  
-Leah
